PORN FILM FESTIVAL VIENNA

APRIL 10-15, 2024

IT'S TIME TO CUM TOGETHER! [Porn Film Festival](#) Vienna is returning hotter than ever this year: from **April 10 to 15**, we invite you to enjoy our captivating program that aims to once again push the boundaries of sexual conventions and open up new perspectives on **gender, porn, and sexuality**.

As **PFFV**, we celebrate the **diversity of sexual orientations**, kinks, and identities. In this year's edition we will be joined by our friends from [Porny Days Switzerland](#), who, as this year's guest festival, have curated their very own shorts series called "[Swiss Obsessions](#)", which will be screened on the **13th of April**.

HYSTERICAL CABARET AND AUSTRIAN PORN SHORTS

After the overwhelmingly positive response to last year's first edition of our **Hysterical Cabaret**, facilitated by **Pleasure Catalysts**, we are thrilled to announce a second edition of this unique live performance at our **7th festival edition**. Our brave audience is invited to take a seat at a table on stage and do a little **performance** with their upper body ranging from singing and reading to anything else of their choice. Under the table, covered with a cloth, a person of their choice tries to distract them with **vibrations** or other ways of stimulation. Inspired by the **Hysterical Literature** series, which features celebrities such as [Stoya](#), Hysterical Cabaret became one of our audience's favorites last year and we are eagerly awaiting to see our audience **moan on stage** once again.

WORLD PREMIERE : CHAOS BY ANOUSHKA

This year's **PFFV** edition will once again include **world premieres** of **arthouse pornography**, including short and feature-length films. **Anoushka**, who already made our audience sweat with her film "**À mes Amours**" at our last edition, will celebrate the premiere of her movie "[Chaos](#)" this year and also join us in person at the screening. "**Chaos**" is an ode to female strength, inviting viewers to reflect on their perceptions of love and intimacy through displaying the sometimes blurry lines between **desire and manipulation**.

NEW LOCATIONS: BREITENSEER LICHTSPIELE, CAMERA CLUB, ANKERSAAL

This year, we will be showcasing an eclectic selection of films at **10 locations**, where we invite you to a journey of exploring intimacy and kink in an aesthetic and experimental way. In addition to the **Schikaneder** and **Erotikkino Fortuna**, we are delighted to announce that we will be screening at Vienna's oldest cinema, the **Breitenseer Lichtspiele**, for the first time this year. Furthermore, we will be celebrating another premiere by introducing a **'Night to Remember'**, the first Alternative Porn Gala which will take place **at Ankersaal** and marks a celebration of sexual diversity, ecstasy and cumming together.

Tickets are available [online](#) or at any of our collaborating cinemas. Further information regarding **accreditations** can be found [here](#).
